

Huhtamaki Paper Recycling is a leading waste paper and cardboard recycler based in Lisburn in Northern Ireland operating since 1965. We also provide other services such as confidential document shredding, paper and cardboard collection, cardboard baling and product destruction.

Located on Ravarnet Road just outside of Lisburn in Northern Ireland, we are in a prime position to access Lisburn, Belfast and all of Ireland (both North & South). We are just a short trip from Belfast in Northern Ireland whilst being ideally placed to also access the Republic of Ireland due to being just off the Dublin-Belfast motorway.

Huhtamaki Paper Recycling is a leading paper recycling company dedicated to paper waste disposal. We offer cost-effective and efficient solutions for paper waste disposal from your site. We engage with Councils, Government Departments, banks and big business right down to one-man businesses. No matter how big or small you are, we have the flexibility to deal with your paper waste disposal and paper recycling requirements.

We look to lower your costs by maximising levels of paper recycling and eliminating waste going to landfill.

We operate in conjunction with regional haulage partners in order to guarantee you a high-quality, reliable and seamless service. We have access to a large fleet of hook lorries and bins meaning we can offer a total recycling solution for your paper, plastic and cardboard.
